

A Three Part THANK YOU Letter

The Activity

As was discussed in the video, it is your turn to write a 3 part thank you letter. Answer the questions in the boxes to help you write your letter.

1. What is something nice someone has done for you? It could be something they did, something they made, something they said...

2. Why was this meaningful to you? How did it make you feel? Did the person give up anything to do this for you (maybe their time, money, a risk)?

3. What skills or talents did that person show by doing this for you?
